2. Kata Rocks Phuket

Arrive at Kata Rocks and you'll quickly realise you're out of the jungle now that you're overlooking the calm, crystal clear waters of Kata Beach and the Andaman Sea. This is among the most iconic five star resorts in Phuket and it's easy to see why. Offering a fabulous location, beautifully designed private pool villas, signature Sky Villas and innovative gourmet dining, Kata Rocks really is one of the most famous resort spas in Asia. Expect to laze poolside, cocktail in hand... a lot. Of course there's a gym here so when you need a solid sweat session (aka a reset) don your P.E gear and get down there. The highlight at Kata Rocks? Fine dining on the rocks.
